

Introduction

Bao Viet Securities Joint Stock Company (BVSC) is one of the leading and most prestigious securities companies in Vietnam, providing professional financial and investment services for domestic and foreign individuals and institutions, investment funds and banks.

During its 13 years of development, as the first securities company in the Vietnamese stock market, BVSC has continuously increased its financial capacity, strengthened operations and developed a modern information technology system in order to improve the quality of service and become a leading brokerage company in Vietnam. BVSC has received a number of awards and recognition from foreign and local prestigious institutions. In advisory activities, with highly experienced experts who were educated at foreign and local prestigious universities, BVSC was honored to receive the “Outstanding M&A Advisory Firm” Award in 2011 and 2012, granted by the Securities Investment newspaper and the Ministry of Planning and Investment. Mergers and acquisitions (M&A) deals under BVSC's consultancy were also selected as the most typical deals in the market. Within brokerage, BVSC has upheld its position among the top 10 securities companies by brokerage market share on the HSX and HNX. Notably, BVSC is among the three biggest bond brokerage houses in the market.
